Dinner

Srinagar is the largest city and summer capital of the Indian state of Srinagar and Kashmir. It is located in the Kashmir Valley on the banks of the Jhelum River, a major tributary of the Indus River. The famous Dal Lake and Anchar Lake also form an important part of the city's geography. Located in the middle of Kashmir Valley, this city is one of the major tourist destinations of India. Every tourist coming here first reaches Srinagar, which is the main city here. Srinagar is also a major commercial center of the valley. This town seems somewhat different compared to other hilly places. The houses and markets here are not located on the hill slopes. Being situated in the middle of a wide valley, it looks like a plain city.
